

(f)(4) *De Minimis rule.* For quarterly and annual return periods beginning on or after January 1, 2001, if the total amount of accumulated employment taxes for the return period is less than \$2,500 and the amount is fully deposited or remitted with a timely filed return for the return period, the amount deposited or remitted will be deemed to have been timely deposited.

(f)(5) through (n). [Reserved] For further guidance, see § 31.6302-1(f)(5) through (n).

[T.D. 8909, 65 FR 76153, Dec. 6, 2000]

§ 31.6302-2 Federal Tax Deposit Rules for amounts withheld under the Railroad Retirement Tax Act (R.R.T.A.) attributable to payments made after December 31, 1992.

(a) *General rule.* Except as otherwise provided in this section, the rules of § 31.6302-1 determine the time and manner of making deposits of employee tax withheld under section 3202 and employer tax imposed under sections 3221 (a) and (b) attributable to payments made after December 31, 1992. Railroad retirement taxes described in section 3221(c) arising during the month must be deposited on or before the first date after the 15th day of the following month on which taxes are otherwise required to be deposited under § 31.6302-1.

(b) *Separate application of deposit rules.* A person who accumulates tax under sections 3202 or 3221 shall not take that tax into account for purposes of determining when taxes described in paragraph (e) of § 31.6302-1 must otherwise be deposited.

(c) *Modification of Monthly rule determination—(1) General rule.* Except as otherwise provided in this section, any person is allowed to use the Monthly rule of § 31.6302-1(c)(1) for an entire calendar year unless the amount of R.R.T.A. taxes required to be deposited under this section during the lookback period was more than \$50,000. The lookback period is defined as the calendar year preceding the calendar year just ended. Thus, for purposes of determining if an R.R.T.A. employer qualifies to use the Monthly rule for calendar year 1993, a lookback must be made to calendar year 1991. New employers shall be treated as having employment tax liabilities of zero for any

calendar year during which the employer did not exist.

(2) *Exception.* An employer shall immediately cease to be allowed to use the Monthly rule after any day on which that employer is subject to the One-Day rule set forth in § 31.6302-1(c)(3). Such employer immediately becomes subject to the Semi-Weekly rule of § 31.6302-1(c)(2) for the remainder of the calendar year and the following calendar year.

(d) *Wire-transfer exception.* If, for the calendar year prior to the calendar year preceding the current calendar year, the aggregate amount of taxes imposed under sections 3202 and 3221 with respect to an employer equalled or exceeded \$1 million, the employer must deposit the aggregate amount of railroad retirement taxes required to be deposited for the current calendar year in accordance with § 31.6302(c)-2(a)(1).

[T.D. 8436, 57 FR 44105, Sept. 24, 1992]

§ 31.6302-3 Federal tax deposit rules for amounts withheld under the backup withholding requirements of section 3406 for payments made after December 31, 1992.

(a) *General rule.* The rules of § 31.6302-1 shall apply to determine the time and manner of making deposits of amounts withheld under the backup withholding requirements of section 3406.

(b) *Treatment of backup withholding amounts separately.* A taxpayer that withholds income tax under section 3406 with respect to reportable payments made after December 31, 1992, and before January 1, 1994, may, in accordance with the instructions provided with Form 941, deposit such tax under the rules of § 31.6302-1 without taking into account the other taxes described in paragraph (e) of § 31.6302-1 for purposes of determining when tax withheld under section 3406 must be deposited. A taxpayer that treats backup withholding amounts separately with respect to reportable payments made after December 31, 1992, and before January 1, 1994, shall not take tax withheld under section 3406 into account for purposes of determining when the other taxes described in paragraph (e) of § 31.6302-1 must otherwise be deposited under that section. See § 31.6302-4

for rules regarding the deposit of income tax withheld under section 3406 with respect to reportable payments made after December 31, 1993.

(c) *Example.* The following example illustrates the provisions of this section.

Example. For the last two calendar quarters of 1991 and the first two calendar quarters of 1992, Bank A reports employment taxes with respect to wages paid totalling in excess of \$50,000. For the same four quarters, pursuant to section 3406, A withholds income tax with respect to dividend payments in an amount aggregating less than \$50,000. For deposit and reporting purposes, A treated the backup withholding amounts separately from the employment taxes with respect to wages paid. Accordingly, for calendar year 1993, if A chooses to treat the items separately, A must use the Semi-Weekly rule of § 31.6302-1(c)(2) to deposit taxes with respect to wages paid but may use the Monthly rule of § 31.6302-1(c)(1) for the deposit of backup withholding amounts. If A chooses not to treat the items separately, the Semi-Weekly rule would apply to the combined amount of both the taxes with respect to wages paid and the backup withholding amounts.

[T.D. 8436, 57 FR 44106, Sept. 24, 1992, as amended by T.D. 8504, 58 FR 68035, Dec. 23, 1993]

§ 31.6302-4 Federal tax deposit rules for withheld income taxes attributable to nonpayroll payments made after December 31, 1993.

(a) *General rule.* With respect to nonpayroll withheld taxes attributable to nonpayroll payments made after December 31, 1993, a taxpayer is either a monthly or a semi-weekly depositor based on an annual determination. Except as provided in this section, the rules of § 31.6302-1 shall apply to determine the time and manner of making deposits of nonpayroll withheld taxes as though they were employment taxes. Paragraph (b) of this section defines nonpayroll withheld taxes. Paragraph (c) of this section provides rules for determining whether a taxpayer is a monthly or a semi-weekly depositor.

(b) *Nonpayroll withheld taxes defined.* For purposes of this section, effective with respect to payments made after December 31, 1993, *nonpayroll withheld taxes* means—

(1) Amounts withheld under section 3402(q), relating to withholding on certain gambling winnings;

(2) Amounts withheld under section 3402 with respect to amounts paid as retirement pay for service in the Armed Forces of the United States;

(3) Amounts withheld under section 3402(o)(1)(B), relating to certain annuities;

(4) Amounts withheld under section 3405, relating to withholding on pensions, annuities, IRAs, and certain other deferred income; and

(5) Amounts withheld under section 3406, relating to backup withholding with respect to reportable payments.

(c) *Determination of deposit status—(1) Rules for calendar years 1994 and 1995.* On January 1, 1994, a taxpayer's depositor status for nonpayroll withheld taxes is the same as the taxpayer's status on January 1, 1994, for taxes reported on Form 941 under § 31.6302-1. A taxpayer generally retains that depositor status for nonpayroll withheld taxes for all of calendar years 1994 and 1995. However, a taxpayer that under this paragraph (c) is a monthly depositor for 1994 and 1995 will immediately lose that status and become a semi-weekly depositor of nonpayroll withheld taxes if the One-Day rule of § 31.6302-1(c)(3) is triggered with respect to nonpayroll withheld taxes. See paragraph (d) of this section for a special rule regarding the application of the One-Day rule of § 31.6302-1(c)(3) to nonpayroll withheld taxes.

(2) *Rules for calendar years after 1995—*

(i) *In general.* For calendar years after 1995, the determination of whether a taxpayer is a monthly or a semi-weekly depositor for a calendar year is based on an annual determination and generally depends on the aggregate amount of nonpayroll withheld taxes reported by the taxpayer for the lookback period as defined in paragraph (c)(2)(iv) of this section.

(ii) *Monthly depositor.* A taxpayer is a monthly depositor of nonpayroll withheld taxes for a calendar year if the amount of nonpayroll withheld taxes accumulated in the lookback period (as defined in paragraph (c)(2)(iv) of this section) is \$50,000 or less. A taxpayer ceases to be a monthly depositor of nonpayroll withheld taxes on the first day after the taxpayer is subject to the One-Day rule in § 31.6302-1(c)(3) with respect to nonpayroll withheld taxes.
